OVATION / THE OPEN STUDIO

OVATION THE OPEN STUDIO

The artistic revolution is here! Ovation's innovative digital arm provides unique content created by millennials for millennials.

The Open Studio brings artistic visions to life. With crowd-funding and mentoring throughout the creative process, we help develop innovative projects, exclusive content, and give next-generation creators a national distribution outlet – from the hottest stars to emerging digital celebrities.

OVATION THE OPEN STUDIO

The Open Studio brings innovative content creators and their millions of online followers into the Ovation family, including:

- Will.I.Am - The Black-Eyed Peas' star is a true art advocate
- Circle Line Art Schools - Creating innovative 3D work
- Cobus Potgieter - Drummer performs for his 500K YouTube followers
- Kuma Films - Brothers creating awe-inspiring features
- Snapchick - As seen through the lens of photog Leigh Polan
- And a growing team of creators reaching millions of digital and social media users
